RE: Notification of Nutritional Support Statements

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of HydrogenBoost™, a dietary supplement. Source Naturals® is the manufacturer of HydrogenBoost™.

Statements being made in the labeling of HydrogenBoost™

- 1) HydrogenBoost™ is a breakthrough natural mineral nutritional supplement, which is a source of negatively charged hydrogen ions bound to silica.
- 2) HydrogenBoost may be the world's most potent antioxidant.
- 3) It may help increase ATP production and so enhance energy generation.
- 4) It may also improve cellular hydration.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.
